Making Mentoring Meaningful—Identifying Needs and Mapping a Mentor Network

Saturday, January 21, 2023 10:45 AM (45 minutes)

Would you like to connect with a mentor but aren't sure how to get started or what you should talk about? In this workshop, participants will identify mentoring needs, map a mentoring network, and learn tips for having a meaningful mentoring relationship.

Presenters: Dr KOKER, Margaret (Lawrence University); Dr HENNE, Tina (Argonne)

Session Classification: Forums/Skills Workshop
