

Nuclear Structure 2024

Thursday, July 25, 2024

Fundamental Symmetries & Precision Measurements - Auditorium (3:25 PM - 4:50 PM)

-Conveners: Jeremy Lantis

time	[id] title	presenter
3:25 PM	[54] Probing the Electroweak Properties of Nuclei with Radioactive Atoms and Molecules	GARCIA RUIZ, Ronald
3:50 PM	[55] Nuclear structure observables as a way to determine $\beta\beta$ decay nuclear matrix elements	MENENDEZ, Javier
4:10 PM	[56] Charge Radius of ^{32}Si and Symmetry Energy in Nuclear EOS from Difference of Mirror Charge Radii ^{32}Si - ^{32}Ar	MINAMISONO, Kei
4:30 PM	[57] Precision studies of radioactive molecules for nuclear science	WILKINS, Shane
