

Nuclear Structure 2024

Tuesday, July 23, 2024

Structure of Medium Mass Nuclei - Auditorium (9:00 AM - 10:25 AM)

-Conveners: Andrew Stuchbery

time	[id] title	presenter
9:00 AM	[18] Recent experimental results from the JYFL-ACCLAB along the proton dripline	AURANEN, Kalle
9:25 AM	[19] Shape coexistence in Sn isotopes around A=110	CORBARI, Giacomo
9:45 AM	[20] Electromagnetic properties of the Te isotopes: the path to collectivity and the nature of pre-collective nuclei	COOMBES, Ben
10:05 AM	[21] Triaxiality and shape evolution in even-even Ge isotopes	SENSHARMA, Nirupama
