

FALL MEETING OF THE DIVISION OF NUCLEAR PHYSICS OF THE AMERICAN PHYSICAL SOCIETY

DNP 2025
OCTOBER
17–20, 2025
HILTON CHICAGO

Meeting Highlights

- Eighteen community-organized workshops and panel discussions spanning the breath of nuclear physics
- Plenary sessions that highlight the application and development of quantum computing and quantum information in nuclear physics
- Seven invited sessions and 10 mini-symposia that feature presentations at the frontier of nuclear physics
- A screening of the documentary “Secrets of the Universe”
- A comedy lecture “An Engineer in the Foundations of Physics”
- An interactive workshop “Developing Early-career Physics Mentors”
- Social events including networking session “Navigating Change: Leadership for Emerging Scientists in a Shifting Research Landscape” and a graduate student social
- The “Conference Experience for Undergraduates,” which includes a poster session
- An “Upstander Workshop”
- Contributed sessions that cover almost all aspects of nuclear physics

LOCAL ORGANIZING COMMITTEE

Melina Avila Coronado
Ian Cloët (Chair)
